EXAMINER'S AMENDMENT AND REASONS FOR ALLOWANCE

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In the claims:

In claim 7 line 1, "clam" is changed to - - claim - -.

In claim 8 line 1, "clam" is changed to - - claim - -.

In claim 14 line 1, "clam" is changed to - - claim - -.

In claim 15 line 1, "clam" is changed to - - claim - -.

The above changes correct obvious typing errors.

The following is an examiner's statement of reasons for allowance:

Claims 1-15 are allowed primarily because the prior art of record do not teach the claimed invention or fairly suggestion combination to arrive at the claimed invention as claimed in claim 1, particularly with respect to the limitations delineated at lines 3-7 regarding the active region as characterized which includes a central part, end parts, and connection parts extending along a first axis from the central part to the end parts so as to connect the central part to the end parts, the connection parts each having a width that is less than each of the minimum widths of the central part and end parts taken in the context of the recited structures in claim 1; and because the prior art of record do not teach the claimed invention or fairly suggestion combination to arrive at the claimed invention as in claim 9, particularly with regard to the limitations delineated

at lines 5-11 regarding the active region having a width that varies along the direction of the first axis, said width being the dimension of the active region measured in the direction of a second axis perpendicular to the first axis, and the gate electrodes extending in the direction of the second axis across the device isolation region and across the portions of the gate electrodes having the smallest widths measured in the direction of the second axis, taken in the context of the remaining structures of claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
